PROFESSIONAL EXPERIENCE

DXC Technology

Business Consultant I August 2020 – August 2023

- Deployed automation projects that decreased the processing time of tasks by up to 80% using a Robotic Process Automation tool (Microsoft Power Automate). These projects enhanced data integrity and service assurance.
- Piloted the Total Control Process Dashboard (Power BI) which aims to help leaders drive down the cost of the account by aligning costs to proper cost buckets.
- Provided knowledge transfer to new hires regarding the core process of the Data and Management Team.

DHL Supply Chain Phils., Inc.

IT Intern June -September 2019

- Developed and documented an Inventory and Asset Management System.
 - *Technology stack: HTML, CSS, Bootstrap, PHP, Laravel, MySQL*

EDUCATION

Zuitt Web Developer Program

Main Course Package

Dec 2023- Feb 2024

De La Salle University Manila

Bachelor of Science in Information Systems

Oct 2019

Relevant Coursework: Computer Programming, Object Oriented Programming, Applied Data Structures and Algorithms, Development of Web/Business Applications, Database Systems.

PROJECT EXPERIENCE

Front End Capstone:

- Designed and built a personal portfolio website to showcase projects and skills using React.js which features a responsive layout using React Bootstrap/Bootstrap and incorporated a plugin such as AOS animation library for a visually appealing experience.
- **Github:** <https://github.com/renzglrs/portfolio-react>
- **Live Website:** <https://renzglrs.github.io/portfolio-react/>

Back End Capstone

- Developed a robust and scalable backend system handling product inventory, user authentication, and order management, providing a solid foundation for seamless e-commerce operations.
- **Github:** <https://git.zuitt.co/B362/cps2-b362-glorioso-tumbaga>

Full-Stack Capstone

- Integrated the frontend and backend to create a comprehensive e-commerce platform with intuitive user interfaces, dynamic product catalog shopping cart feature, admin functionalities, ensuring a smooth shopping experience for customers.
- **Github:** <https://github.com/renzglrs/footwork-ecommerce-store>
- **Live Website:** <http://zuitt-bootcamp-prod-362-6569-glorioso.s3-website-us-east-1.amazonaws.com/>

PERSONAL DEVELOPMENT

Meta Front-End Developer Professional Certificate

Coursera | Aug 2023-Present

- Currently pursuing the Meta Front-End Developer Professional Certificate on Coursera, focusing on advancing my expertise in front-end development. This comprehensive program equips me with hands-on experience in modern web technologies, including HTML5, CSS3, JavaScript, and responsive design principles.
